Traffic Direction Change:

107 St. George Street, Rotman Parking Garage (under Rotman & Innis). The existing south entry parking ramp will be closed. The north parking ramp will now be controlled by a traffic signal system for both in and out. There will be no outbound left turn at St. George Street. Please be aware of this change if you or any of your guests, park in this garage.

Conferences/Workshops/Special Events:

American Association for Aerosol Research (AAAR) 2009 Annual Conference, October 26-30, 2009, Hyatt Regency Minneapolis, Minneapolis, Minnesota. Reduced conference fees if you register by August 17 2009. There will also be four technical tours offered to: Donaldson Company, MSP, TSI and the University of Minnesota. Anyone wishing to take advantage of these tours must register for them before September 25, 2009. Visit their web-site, www.AAAR.org, for more information and registration details.

2010 AAAR International Conference on Air Pollution and Health, Sheraton San Diego Hotel & Marina, San Diego, California, March 22-26, 2010. Abstracts by October 9, 2009 (instructions on web-site www.AAARabstracts.com/Specialty). Conference registration begins November 2, 2009.
