

CHEM ENG NEWS

Department of Chemical Engineering and Applied Chemistry
University of Toronto

Vol. 26, No. 7, February 20, 2009

SEMINARS:

- Pulp & Paper Graduate Student Seminars – CHE1211H, Department of Chemical Engineering and Applied Chemistry, University of Toronto
Xiafei Fan, *Combustion of Petroleum Coke in Lime Kiln*
Monday, February 23, 2009, Room 420, Wallberg Building, 200 College Street
- CHE2011H Graduate Seminar Presentation Series, Department of Chemical Engineering and Applied Chemistry, University of Toronto
C. Lasowy, *Electrochemical Hydriding of Zirconium Alloy*
C. Lee, *2007 Border Air Quality Study – What Can Satellite NO₂ Measurement Tell Us?*
S. Mohammadzadeh
Wednesday, February 25, 2009, 10:10 – 11:30 a.m., Room 420, Wallberg Building, 200 College Street
Student supervisors and interested faculty are welcome to attend and evaluate the students. There will be prizes for the best three seminars of this term.
- Robert Hunter Memorial Lecture, Environment Seminar Series, Centre for Environment, University of Toronto
Stefan Reichenbach, Global Head of Environmental Markets, Thomson Reuters
Climate Change Through the Media Lens: An Assessment of the Role of Mainstream Media in Forming Public Opinion on Climate Change
Wednesday, February 25, 2009, 4:10 p.m., East Common Room, Hart House, 7 Hart House Circle
- Sigma XI – The Scientific Research Society, University of Toronto Chapter
Dr. Marshall Chasin, Department of Linguistics, University of Toronto
Why Modern Hearing Aids Cannot Handle Loud Music
Thursday, February 26, 2009, 4:30 p.m., Room 432, Ramsay Wright Zoological Labs, 25 Harbord Street
- Environment & Health Seminar Series, Centre for Environment, University of Toronto
Theresa McClenaghan, Canadian Environmental Law Association
Toxics Use Reduction in Ontario: The Challenges and Opportunities
Thursday, February 26, 2009, 4:10 p.m., Health Sciences Building, Room 108, 155 College Street

ANNOUNCEMENTS:

Graduate Orals/Reading Committees:

Ph.D. Reading Committee Meeting – E. Brei, February 27, 2009, 2:00 p.m., WB420
Research Topic: ADHESION PROTEINS IN MICROBIAL FLOC EXTRACELLULAR POLYMERIC SUBSTANCES
Committee: Chair - C. Yip; Supervisors - S.N. Liss and D.G. Allen; Other Member - G. Wolfaardt

Ph.D. Reading Committee Meeting – A. Hayes, February 25, 2009, 9:00 a.m., WB215
Research Topic: INVESTIGATING THE MICROBIAL COMMUNITY STRUCTURE OF BIOFILTERS TREATING DIMETHYL SULPHIDE
Committee: Chair - E.A. Edwards; Supervisors - D.G. Allen and S.N. Liss; Other Member - E.R. Master

Conferences/Workshops/Special Events:

World Congress on Engineering and Computer Science 2009, San Francisco, USA, October 20-22, 2009. Web-site: <http://www.iaeng.org/WCECS2009>.

Regional Airports 2009, International Conference on Regional Airports, September 28-30, 2009, New Forest, UK. Web-site: <http://www.wessex.ac.uk/airports2009rem3.html>.
