Committee: Chair - C.Q. Jia; Supervisor - T.P. Bender; Other Member - H.N. Tran

Congratulations:

... to Professors Chris Yip and Grant Allen and Professor Emeritus Jane Phillips. They have all been elected Fellows of the American Association for the Advancement of Science (AAAS), the largest international organization dedicated to advancing science or its applications on a global basis. They will be recognized for their contributions to science and technology at the Fellows Forum held on February 14, 2009 during the AAAS Annual Meeting in Chicago.

... to Dr. Frank Frantisak, a distinguished Chemical Engineering, for being selected to receive an Honourary D. Science at the June 2009 U. of T. Engineering convocation. Dr. Frantisak worked in the Department as a Ford Foundation Research Associate in 1967-68, and, among his many other achievements, holds the Order of Canada.

... to Leticia and Edgar Gutierrez, who became grandparents for the first time. Their daughter Karen and her husband Dave welcomed a daughter, Alyssa Kate on December 20, 2008. She was born at 10:21 a.m. and even though she was a little early, she weighed 7.5 lbs. Best wishes from all of us!
