

## 2011–2012 Thesis/Design Project Approval

If you wish to have your Thesis or Design Project count toward your minor, you must obtain approval. To obtain approval, please complete the following:

1. Provide your personal information.
2. Attach a **one-page description of your project or research**. This must justify how the work you will be undertaking relates to your minor of choice. Generic Department/course descriptions are unacceptable.
3. Obtain signatures from your Supervisor and your Departmental Undergraduate Coordinator on this form.

Please submit your completed form and attached description to Sharon Brown at the Cross-Disciplinary Programs Office (44 St. George Street; 1st floor of Bahen House) by **September 23, 2011**. For more information, please contact Sharon at 416-978-3532 or [cdp@ecf.utoronto.ca](mailto:cdp@ecf.utoronto.ca)

**This form does NOT replace any documentation required by your home program.**
